Here's some other important info for you to know...

1. Uniform- Students will be asked to purchase a choir polo (\$15). The students will wear their choir polo, khaki pants & black dress shoes with black socks to each performance.
2. Fundraiser- I have my middle school students do one fundraiser each year. We will start the year selling cookie dough. I would ask that each student sell 5 tubs. More info to come soon.
3. Concerts- Unlike elementary concerts, the middle school concerts are required. Concerts are a large portion of the nine weeks grade.
4. Website- Please use the website for information. I try to be as paperless as possible. You will find a middle school link on the front page.

I am looking forward to another successful year at the middle school. Please don't hesitate to call or e-mail me with any questions.

Sincerely,

Nick Engels
